Results in line, maintain forecasts, TP

MCT's 3Q18 results were in line with MKE and the street, with DPU at S2.90cts, up 0.9% YoY and 2.7% QoQ. We have kept estimates and DDM-based SGD1.45 TP (WACC: 7.1%, LTG: 1.2%) intact. We are negative on retail S-REITs, given structural challenges from e-commerce disruption and sales leakage. We see downside risk to market expectations of rental reversion prospects at VivoCity. MCT remains our key SELL given a more-exposed tenant portfolio, moderating rental profile, and lofty valuations.

VivoCity, MBC I were key drivers

3Q18 revenue/ NPI rose 0.8% YoY/ 1.9% YoY, from stronger contribution at VivoCity and MBC I. DPU rose 0.9% YoY to S2.90cts, with YTD DPU of S6.77ct, up 6.4% YoY achieving 76% of our full-year. Portfolio occupancy fell QoQ from 97.6% to 94.6% due to transitional vacancies at VivoCity and MBC I. VivoCity's +2.3% rental reversion helped support overall portfolio rental reversion of +1.2%. AEI works at VivoCity - to add a public library at Level 3 and extend Basement 1 - remain underway. VivoCity saw 1.2% YoY growth in tenant sales YTD, even as shopper traffic fell 1.2% YoY.

Portfolio more exposed to e-commerce competition

VivoCity's positioning as a destination mall is likely to be sustained given its size and location (Harbourfront's interchange, and gateway to Sentosa Island). However, we see some extent of retention risk, as a relatively higher share (35-42%) of its leases are exposed to e-commerce competition, of which 16.7% and 14.7% are to be renewed in FY19 and FY20. We see a stronger proxy to Singapore's tourism rebound at Orchard Road malls.

Slower growth profile not priced into valuations

MCT has had the longest period of outperformance, which was achieved on the back of strong double-digit rental reversions at its key VivoCity retail asset. But with growth tapering from structural concerns, we see downside risk to DPU estimates.

Value Proposition

- MCT owns VivoCity, which is S'pore's largest mall at 1.05b sqft NLA, and achieved 55.8m (+4.8% YoY) and 27.0m (+1.1% YoY) shopper traffic in FY17 and 1H18, respectively.
- It is one of four S-REITs sponsored by Mapletree Investments, wholly-owned by Temasek Holdings.
- Its SGD1.86b acquisition of Mapletree Business City 1 from its sponsor in Jul 2016 has enabled an exposure to business parks (21% of AUM, 13% of NPI), with favourable demand-supply dynamics.
- Strong balance sheet with estimated SGD400m debt headroom, at 40% gearing, to pursue inorganic growth opportunities.

AUM breakdown (as of end-Sep 2017)

Source: Company

Price Drivers

Historical share price trend

Source: Company, Maybank Kim Eng

1. Jan-13: Announces first acquisition post-IPO of Mapletree Anson, a premium office building at a 2-min walk from Tanjong Pagar MRT for SGD690m at 3.6% NPI yield.
2. Apr-14: Reports FYMar-14 results with revenue/NPI up 21.7% YoY/25.2% YoY, exceeding forecasts by 3.8-8.8% and due to VivoCity and PSAB.
3. Apr-15: Opens new 15k sqft retail pockets at VivoCity Basement 1 to exploit commuter flows arising from its connectivity to HarbourFront MRT and Sentosa Express.
4. Jul-16: Acquires Mapletree Business City (P1) comprising an office tower and 3 business park blocks for SGD1.78b, at 5.6% NPI yield, above existing portfolio yield of 5.1%.
5. Apr-17: Reports FYMar-17 results with revenue/NPI up 31.3% YoY/32.4% YoY, with 1.3% YoY rise in tenant sales at VivoCity.

Financial Metrics

- We expect DPU growth to slow sharply from double-digit since IPO to 1-2% in FY18-19E and lower in FY20E.
- Rental reversion should decelerate from strong double-digit to 3-5% in FY18-20E, as VivoCity rents catch up with the market.

Rental reversion and DPU growth

Source: Company, Maybank Kim Eng estimates

Swing Factors

Upside

- Earlier-than-expected pick-up in leasing demand for retail, office and business park space driving improvement in occupancy.
- Better-than-anticipated rental reversions.
- Accretive acquisitions or redevelopment projects.

Downside

- Prolonged slowdown in economic activity could reduce demand for retail, office, and business park space resulting in lower occupancy and rental rates.
- Termination of long-term leases contributing to weaker portfolio tenant retention rate.
- Sharper-than-expected rise in interest rates could increase cost of debt and negatively impact earnings, with higher cost of capital lowering valuations.

APPENDIX I: TERMS FOR PROVISION OF REPORT, DISCLAIMERS AND DISCLOSURES

DISCLAIMERS

This research report is prepared for general circulation and for information purposes only and under no circumstances should it be considered or intended as an offer to sell or a solicitation of an offer to buy the securities referred to herein. Investors should note that values of such securities, if any, may fluctuate and that each security's price or value may rise or fall. Opinions or recommendations contained herein are in form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from the relevant jurisdiction's stock exchange in the equity analysis. Accordingly, investors' returns may be less than the original sum invested. Past performance is not necessarily a guide to future performance. This report is not intended to provide personal investment advice and does not take into account the specific investment objectives, the financial situation and the particular needs of persons who may receive or read this report. Investors should therefore seek financial, legal and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

The information contained herein has been obtained from sources believed to be reliable but such sources have not been independently verified by Maybank Investment Bank Berhad, its subsidiary and affiliates (collectively, "MKE") and consequently no representation is made as to the accuracy or completeness of this report by MKE and it should not be relied upon as such. Accordingly, MKE and its officers, directors, associates, connected parties and/or employees (collectively, "Representatives") shall not be liable for any direct, indirect or consequential losses or damages that may arise from the use or reliance of this report. Any information, opinions or recommendations contained herein are subject to change at any time, without prior notice.

This report may contain forward looking statements which are often but not always identified by the use of words such as "anticipate", "believe", "estimate", "intend", "plan", "expect", "forecast", "predict" and "project" and statements that an event or result "may", "will", "can", "should", "could" or "might" occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward-looking statements. MKE expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

MKE and its officers, directors and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. One or more directors, officers and/or employees of MKE may be a director of the issuers of the securities mentioned in this report to the extent permitted by law.

This report is prepared for the use of MKE's clients and may not be reproduced, altered in any way, transmitted to, copied or distributed to any other party in whole or in part in any form or manner without the prior express written consent of MKE and MKE and its Representatives accepts no liability whatsoever for the actions of third parties in this respect.

This report is not directed to or intended for distribution to or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. This report is for distribution only under such circumstances as may be permitted by applicable law. The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. Without prejudice to the foregoing, the reader is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

Malaysia

Opinions or recommendations contained herein are in the form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from Bursa Malaysia Securities Berhad in the equity analysis.

Singapore

This report has been produced as of the date hereof and the information herein may be subject to change. Maybank Kim Eng Research Pte. Ltd. ("Maybank KERPL") in Singapore has no obligation to update such information for any recipient. For distribution in Singapore, recipients of this report are to contact Maybank KERPL in Singapore in respect of any matters arising from, or in connection with, this report. If the recipient of this report is not an accredited investor, expert investor or institutional investor (as defined under Section 4A of the Singapore Securities and Futures Act), Maybank KERPL shall be legally liable for the contents of this report, with such liability being limited to the extent (if any) as permitted by law.

Thailand

Except as specifically permitted, no part of this presentation may be reproduced or distributed in any manner without the prior written permission of Maybank Kim Eng Securities (Thailand) Public Company Limited. Maybank Kim Eng Securities (Thailand) Public Company Limited ("MBKET") accepts no liability whatsoever for the actions of third parties in this respect.

Due to different characteristics, objectives and strategies of institutional and retail investors, the research reports of MBKET Institutional and Retail Research Department may differ in either recommendation or target price, or both. MBKET Retail Research is intended for retail investors (<http://kelive.maybank-ke.co.th>) while Maybank Kim Eng Institutional Research is intended only for institutional investors based outside Thailand only.

The disclosure of the survey result of the Thai Institute of Directors Association ("IOD") regarding corporate governance is made pursuant to the policy of the Office of the Securities and Exchange Commission. The survey of the IOD is based on the information of a company listed on the Stock Exchange of Thailand and the market for Alternative Investment disclosed to the public and able to be accessed by a general public investor. The result, therefore, is from the perspective of a third party. It is not an evaluation of operation and is not based on inside information. The survey result is as of the date appearing in the Corporate Governance Report of Thai Listed Companies. As a result, the survey may be changed after that date. MBKET does not confirm nor certify the accuracy of such survey result.

The disclosure of the Anti-Corruption Progress Indicators of a listed company on the Stock Exchange of Thailand, which is assessed by Thaipat Institute, is made in order to comply with the policy and sustainable development plan for the listed companies of the Office of the Securities and Exchange Commission. Thaipat Institute made this assessment based on the information received from the listed company, as stipulated in the form for the assessment of Anti-corruption which refers to the Annual Registration Statement (Form 56-1), Annual Report (Form 56-2), or other relevant documents or reports of such listed company. The assessment result is therefore made from the perspective of Thaipat Institute that is a third party. It is not an assessment of operation and is not based on any inside information. Since this assessment is only the assessment result as of the date appearing in the assessment result, it may be changed after that date or when there is any change to the relevant information. Nevertheless, MBKET does not confirm, verify, or certify the accuracy and completeness of the assessment result.

US

This third-party research report is distributed in the United States ("US") to Major US Institutional Investors (as defined in Rule 15a-6 under the Securities Exchange Act of 1934, as amended) only by Maybank Kim Eng Securities USA Inc ("Maybank KESUSA"), a broker-dealer registered in the US (registered under Section 15 of the Securities Exchange Act of 1934, as amended). All responsibility for the distribution of this report by Maybank KESUSA in the US shall be borne by Maybank KESUSA. This report is not directed at you if MKE is prohibited or restricted by any legislation or regulation in any jurisdiction from making it available to you. You should satisfy yourself before reading it that Maybank KESUSA is permitted to provide research material concerning investments to you under relevant legislation and regulations. All U.S. persons receiving and/or accessing this report and wishing to effect transactions in any security mentioned within must do so with: Maybank Kim Eng Securities USA Inc. 777 Third Avenue 21st Floor New York, New York 1- (212) 688-8886 and not with, the issuer of this report.

UK

This document is being distributed by Maybank Kim Eng Securities (London) Ltd (“Maybank KESL”) which is authorized and regulated, by the Financial Conduct Authority and is for Informational Purposes only. This document is not intended for distribution to anyone defined as a Retail Client under the Financial Services and Markets Act 2000 within the UK. Any inclusion of a third party link is for the recipients convenience only, and that the firm does not take any responsibility for its comments or accuracy, and that access to such links is at the individuals own risk. Nothing in this report should be considered as constituting legal, accounting or tax advice, and that for accurate guidance recipients should consult with their own independent tax advisers.

DISCLOSURES**Legal Entities Disclosures**

Disclosure of Interest

Malaysia: MKE and its Representatives may from time to time have positions or be materially interested in the securities referred to herein and may further act as market maker or may have assumed an underwriting commitment or deal with such securities and may also perform or seek to perform investment banking services, advisory and other services for or relating to those companies.

Singapore: As of 25 January 2018, Maybank KERPL and the covering analyst do not have any interest in any companies recommended in this research report.

Thailand: MBKET may have a business relationship with or may possibly be an issuer of derivative warrants on the securities /companies mentioned in the research report. Therefore, Investors should exercise their own judgment before making any investment decisions. MBKET, its associates, directors, connected parties and/or employees may from time to time have interests and/or underwriting commitments in the securities mentioned in this report.

Hong Kong: As of 25 January 2018, KESHK and the authoring analyst do not have any interest in any companies recommended in this research report.

India: As of 25 January 2018, and at the end of the month immediately preceding the date of publication of the research report, KESI, authoring analyst or their associate / relative does not hold any financial interest or any actual or beneficial ownership in any shares or having any conflict of interest in the subject companies except as otherwise disclosed in the research report.

In the past twelve months KESI and authoring analyst or their associate did not receive any compensation or other benefits from the subject companies or third party in connection with the research report on any account what so ever except as otherwise disclosed in the research report.

MKE may have, within the last three years, served as manager or co-manager of a public offering of securities for, or currently may make a primary market in issues of, any or all of the entities mentioned in this report or may be providing, or have provided within the previous 12 months, significant advice or investment services in relation to the investment concerned or a related investment and may receive compensation for the services provided from the companies covered in this report.

OTHERS**Analyst Certification of Independence**

The views expressed in this research report accurately reflect the analyst’s personal views about any and all of the subject securities or issuers; and no part of the research analyst’s compensation was, is or will be, directly or indirectly, related to the specific recommendations or views expressed in the report.

Reminder

Structured securities are complex instruments, typically involve a high degree of risk and are intended for sale only to sophisticated investors who are capable of understanding and assuming the risks involved. The market value of any structured security may be affected by changes in economic, financial and political factors (including, but not limited to, spot and forward interest and exchange rates), time to maturity, market conditions and volatility and the credit quality of any issuer or reference issuer. Any investor interested in purchasing a structured product should conduct its own analysis of the product and consult with its own professional advisers as to the risks involved in making such a purchase.

No part of this material may be copied, photocopied or duplicated in any form by any means or redistributed without the prior consent of MKE.

Historical recommendations and target price: Mapletree Commercial Trust (MCT SP)

Definition of Ratings

Maybank Kim Eng Research uses the following rating system

BUY	Return is expected to be above 10% in the next 12 months (excluding dividends)
HOLD	Return is expected to be between - 10% to +10% in the next 12 months (excluding dividends)
SELL	Return is expected to be below -10% in the next 12 months (excluding dividends)

Applicability of Ratings

The respective analyst maintains a coverage universe of stocks, the list of which may be adjusted according to needs. Investment ratings are only applicable to the stocks which form part of the coverage universe. Reports on companies which are not part of the coverage do not carry investment ratings as we do not actively follow developments in these companies.
